My Bequest List

This form will enable you make your wishes known to your family.

We clear out houses for people moving into a retirement setting or for deceased estates. Often when we clear a deceased estate we need to make assumptions about where possessions should go. They are often the smaller sentimental items that would not be listed in a will. Just ask your solicitor to pop it in with your will documents or pass it on to your executor. Make extra copies as required.

If you would like a free Information pack about what we do, then please contact us on **1300 MY ESTATE (1300 69 37 82).**
